THREE HILLS CEMETERY
NW-36-31-24-W4

The old townsite was originally located at the creek about 3 km west and 3 km south of the present location. Then, when the railway route was surveyed in 1911, R.E. Morgan, a local business man, purchased land at this new site and proceeded to start a townsite. The Village of Three Hills was incorporated in July 1911 and in 1929 Three Hills was incorporated to the status of a Town. The Methodist and Presbyterians worked together and built a church in 1913, as did the Anglicans. The Roman Catholic Church was built in 1920. L.E. Maxwell was the first teacher of the Prairie Bible Institute. Classes commenced in October 1922 with eight teenagers and two bald-headed men. Today the 120 acre campus attends to the needs of 700 Bible School students plus more than 200 high schoolers and 250 grade school students.

The cemetery is located on the main road one mile east of Three Hills. It is bordered by large evergreen trees. Just inside the entrance, the town has constructed a replica of the plot layout of the cemetery. On hinged plywood (2' x 4') sheets representing a block, are the names of those interred.

The St. Joseph's RC Cemetery is just east and adjoining the Three Hills Cemetery. Those interred there are not included in this publication, but will be listed in another publication.

With help from the Town Office, 1253 names of burials were recorded by Judy Wasylenko and Peter and Rose Goutbeck in 1994. While the cemetery appears to have started in about 1913, the grave marker of William Trenthan says 1860 - 1890.

Further information about the area and the people may be found in several local histoy books *"As the Years Go By"* published in 1970, *"MD of Kneehill"* published 1968, *"Expendable With God on the Prairies"* published in 1966.

Abbreviations used in this publication:
d = died, b = born, int = interred, a = age, fa = father, mo = mother, da = daughter, w = wife, h = husband, pt = parent(s), res = reserved or residence at
Note: Some of the death dates have been transcribed from the records. But it is not always clear if these are in fact death dates or interment dates.
